Good Afternoon,

Thank you for answering all of our questions and excellent news about your covid vaccine. We can guarantee you **ongoing work** but you must complete the RIW course. The RIW card is **required** for workers who want to carry out work on a railway depot site. At a RIW training course, you will learn about **Australia's legal requirements** for workplace health and safety on a railway depot. Earliest RIW card course is: **Saturday 12:30PM to 5:30PM** and next one is **Sunday 10:00AM to 3:00PM**. Please let me know what day and time works best for you! Video Conference using **ZOOM, with a Certified Trainer**, to complete the course by doing a face-to-face online practical assessment. White card is not necessary because your work is not located in the rail corridors.

Could you please provide me with the details so I can make a **course reservation** because without card we can't legally hire you. (RIW cost is only \$145 / course + 5 years valid worker card) - **limited spots available**.

1. Full Name (including middle names if any)
2. Date of Birth
3. Mobile Ph.
4. Your preferred course time: Saturday or Sunday (course full length is 4 to 5 hours)

After successfully completing a RIW training course you will be **guaranteed** ongoing work in the railway depot. You are going to be located next to **North Melbourne** train station (walking distance). This position pay rate is \$27.85 / hour.

Best Regards,
William Rosanove
